Wellness Plan

Need some guidance? Add on a Wellness Plan to help navigate your elimination diet.

This 15+ page booklet is customized for *you* based on *your* food sensitivity results. It will prove to be an excellent tool to refer to while eliminating and re-introducing positive foods. The Wellness Plan includes resources, such as, a shopping list, suggested 4-day rotation diet, FAQ's, wallet card listing positive foods, and additional food information resources. Wellness Plans can even be tailored to meet your dietary needs and can be made vegetarian, pescatarian, vegan, paleo, gluten free, casein free, kosher, or free of red meat.
